Forecast For East Midlands
Issued by Met Office Exeter
at 1600 on Monday 27 Sep 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Breezy with rain or showers for Tuesday.

This Evening and Tonight:
Isolated showers at first this evening, but most showers will die away, with only a few showers possibly reaching Derbyshire overnight. Most places will have long clear periods, allowing a rather chilly night to occur. Minimum temperature 6 deg C (43 deg F).

Tuesday:
A mostly bright morning before clouding over with showers or longer spells of rain arriving Tuesday afternoon. A breezy day and continuing to feel much cooler compared to recent days. Maximum temperature 18 deg C (64 deg F).

Outlook for Wednesday to Friday:
Becoming dry Wednesday once showers eventually clear east. Showers or longer spells of rain for Thursday and Friday, these sometimes heavy. Temperatures near or slightly below average. Windy, especially Friday.
